

Dear Friend,

The Arvin W. Glass Charitable Foundation of Tennessee has a wonderful tradition of providing excellent community service to Tennesseans across the state. We have the privilege to support students graduating from high school as well as students currently in college live the dream of an opportunity at higher education, by receiving scholarships from our foundation. We also have the privilege to donate money to those affected by natural disaster, when we know they need it the most. We take great pride in serving communities in the areas of Scholarship, Natural Disaster Relief, and Economic Development.

This year, we will kick off this summer with our **Inaugural Golf Tournament Event** benefiting Tennesseans around the state. We have Brothers from The Most Worshipful Princehall Grand Lodge of Tennessee, and Sisters from Excelsior Grand Chapter, Order of the Eastern Star, Tennessee Jurisdiction, Princehall Affiliated, volunteering their time, talents and love to those in need.

Unfortunately, volunteers alone are not able to sustain the level of financial commitment to support in the areas of **Scholarship, Natural Disaster Relief, and Economic Development**. It is also imperative to raise awareness and funds to support these worthy areas. With these financial obligations in front of us, The Honorable Arvin W. Glass Charitable Foundation of Tennessee is proud to announce its Inaugural Golf Tournament. This year's tournament will be held on **Friday, June 2, 2023**, at the Nashville National Golf Course at 9 am. This day will be filled with opportunities to share your golfing skills while networking with new and old friends.

Enclosed with this letter, you will find information needed to secure your spot. First, you will find the *Registration Form* to sign up for yourself and three other team members. In addition, you will find the *Sponsorship Commitment Form*, that will provide you with the different levels of sponsorship opportunities to advertise your business, your commitment, and most importantly your support.

We want to **THANK YOU** in advance for your consideration in supporting our Inaugural Golf Tournament. Come on out and plan to have an excellent time supporting this golf tournament and the communities the Foundation serves. We look forward to seeing you on Friday, June 2, 2023.

Yours in Truth and Service,

Mr. Archie Fowler
President

THE HONORABLE
ARVIN W. GLASS
CHARITABLE FOUNDATION OF TENNESSEE
